June 2007

Welcome to Visitors

It's that time of year when we are looking to create a new Tiger Cub den. Flyers went out to all the kindergarten boys in the Wednesday folders last week to generate interest in our pack.

If you see new faces at our Pack Fun Fest, please help to make them feel welcome and a part of our Cub Scout family.

To all the visitors, a big **Cub Scout Welcome!**

Den News

This past month the Den 1 Tigers visited the offices of the Village News in Fallbrook. While there they learned how the paper is created and edited. All the boys got a chance to try their hand at laying out an advertisement for the upcoming edition!

The Wolves of Den 4 learned about the U.S. flag and the proper way to present it.

The Den 7/10 Bears and Webelos were busy in May learning knots and preparing a knot tying demonstration for the Pack Fun Fest.

Know Your Leaders

Hunter Farrell – Den Leader

Dens 7 & 10

When Mr. Farrell isn't busy teaching his Bear and Webelos scouts how to tie knots or put up tents, he is an attorney with a solo legal practice in which he primarily represents high tech companies in contract negotiations. He is originally from Albuquerque, NM where he was both a Cub Scout and a Boy Scout while growing up. He enjoys film editing, screen writing, and acting.

Thank you, Mr. Farrell for all your help and support of Pack 735!

Upcoming Event Details...

Family Camp

The weekend for the Family Camp at Mataguay Scout Ranch is finally almost here!

The gates will open to the campsites at 5:00 pm on Friday afternoon (5/25) and arrivals will be allowed up until 10:00 pm that evening. A map to the ranch is attached to this edition of the Gazette.

Den Leader Lopez has offered to arrive a bit early in an attempt to be near the start of the line for the 5 pm stampede. He will find us a good spot and try to hold enough space for everyone that has said they will be at the campout.

We are hoping to leave word at the check-in as to where Pack 735 will be. We will also try to have some kind of

sign at our site but if you wait until after dark, it may be difficult to link up.

You can always try to call Cubmaster Dirk on his cell phone at 760-703-4385 but cell phone reception is pretty spotty up there.

And one final reminder: There is never any alcohol allowed at a Scout event.

Scout Night with the Padres

There are going to be 42 members of Pack 735 going to the Scout Night with the Padres!

We have purchased group tickets in the reserved upper section for everyone that responded. The tickets will be mailed to the pack and then passed out to each family at the following den meeting. To collect your tickets, you will need to pay the pack the \$7.00 cost for each.

Pack Picnic

The Pack Picnic is next month on the 30th. Remember, this is in place of the normal Pack Fun Fest. Here are the details:

Date: June 30

Time: 10:00am - 3:00pm

Where: Dixon Lake in Escondido

What: Fun, fun, FUN!

We will be having a mini Belt Loop Alley like they had at the Scout Fair, games, activities, a barbeque, and more.

The pack will be providing the burgers and dogs and we will be asking each family to bring a side dish or dessert.

For more information, contact Kelly Peoples at kellypeoples@gmail.com or call 760-271-0090.

Summer Day Camps

July will be here before you know it which means the Summer Day Camps are quickly approaching.

If you want your son to attend you should be thinking about getting him registered now. For more information contact Shelly at (760) 630-8956 or spnani@sbcglobal.net.

Announcements...

Advancement

We have a number of boys that have completed or are nearing completion of all the requirements for their current rank. We will be awarding the first Tiger Cub, Wolf, and Bear badges at the Pack Picnic in June. Please work with your son on the requirements that he still needs to complete so that he can be one of the first Pack 735 boys to get their badge. If you have any questions as to what you need to do, please contact your Den Leader.

And a reminder, for the boys to be awarded their current rank's badge, they must complete all of the requirements for it by the August Pack Fun Fest. At that meeting they will be advanced forward to the next rank and will no longer have the opportunity to work on this year's rank.

Joke of the Month

What time does a dentist wake up?

Tooth Hurty!

Check Your E-Mail!

PLEASE... The adult volunteers **BEG** you...

You all supplied an e-mail address when registering with the scouts. Please check your e-mail accounts regularly (which means more than once a week) and respond to messages when asked to.

This is, by far, the best way to communicate with all the families in a timely manner. It is very frustrating when a volunteer has to spend a large amount of time phoning everyone in their group when the same could be accomplished in a few minutes with an e-mail.

The volunteers are all donating a lot of time and working hard for your sons. PLEASE, do your part to make it a bit easier for them.

Birthdays This Month...

Please help us in wishing the following boys a very Happy Birthday this month:

- 🎂 Niko Christ
- 🎂 Kirk Kuran
- 🎂 Brayden Byrnes
- 🎂 Brendan McReynolds
- 🎂 Noah Wise
- 🎂 Dutch Nagelvoort
- 🎂 Max Brunner

From Cubmaster Dirk...

I am really looking forward to the Family Camp at Mataguay Ranch this weekend! It is going to be great to spend some time with those of you coming and to get to know you better. Maybe after this weekend I'll even know a few more of your names! Now if I could just remember mine....

For Your Calendar...

Please add these events to your calendar. More details will follow.

Pack Campout

We are in the beginning phases of planning a Pack Campout for September. Keep the weekend of 9/14 – 9/16 open and expect a barrel of fun!

Program Planning Conference

Our Pack Program Planning Conference will be held August 18th. This is a day long meeting where the members of the Executive Committee and all Adult Leaders get together to put together a calendar for the next year in the life of Pack 735. All parents are welcomed and encouraged to attend.
